Sponsor Membership Application

Note: Please attach to this application a brief (one page or less) description of your company and why you want to join the alliance.

Dear PXI Systems Alliance Members,

My company is a vendor that currently produces or is developing PXI compliant products and/or systems. By submitting this application, my company is officially applying for sponsor level membership in the PXI Systems Alliance. We agree with and endorse the objectives in the Charter Document, and currently offer products and/or tools that comply with the PXI specification. We understand that by joining, we will be notified of all general and technical working group meetings, and have the opportunity to attend any and all such meetings. We understand that as Sponsor Members we have the right to vote on specification revisions, the election of Alliance officers, the appointment of a member to the Board of Directors, and other issues concerning the Alliance. In addition, we understand that we will receive minutes taken from all general membership meetings, whether or not we attend. As a Sponsor level member we expect to be an active and integral part of the Alliance.

We have enclosed the initiation fee (payable to PXI Systems Alliance) with this application and we understand that this fee covers the Sponsor Membership dues until January 1st of the next year. We also understand that continued membership in the PXI Systems Alliance is contingent on payment of the annual Sponsor Membership dues payable on January 1st of each year. We understand that our Sponsor level membership is contingent on a vote of the PXI Systems Alliance. Additional stipulations follow on page two of this application.
